**D. DECLARATION**

I must have assistance to continue my post-secondary studies; I will use this assistance to pay my academic fees first and then for educational and living costs related to my studies. I understand that all courses taken and funded through OSAP must be applied to my chosen degree program. I have given complete and true information on this form and I understand that failure to do so may prevent my getting assistance in the future. I will not receive financial assistance from any other province or country while receiving OSAP assistance. I will notify the financial aid administrator in writing if my academic, financial, marital or study period status changes.

I hereby request that payment of tuition fees be deferred pending receipt of my OSAP funds. I understand that this deferral will be approved based on the fact that I received enough OSAP during the current academic year to cover tuition fees. If I am not eligible for OSAP for the courses listed above, I will be responsible for payment of tuition fees. Any OSAP funding will be applied firstly to my fee account at Nipissing University. I understand that I may be charged a late fee if my tuition fees are not paid by the due date as a result of a late application for funding.
