

BEd Program – Year One Practicum Registration

Complete and submit all three pages of your Practicum Registration Form to the Practicum Office (ptoffice@nipissingu.ca or F201) by March 8, 2019. A clear picture, scan or hardcopy of your completed documents is acceptable.

1. Currently, teacher candidates may choose to complete practicum in one of our partner school boards (attached).
2. Candidates who graduated from a secondary school within their first choice board may be given special consideration in the first round of board assignments. In such cases, deadlines for submission of appropriate documentation must be met for candidates to be eligible. In circumstances where the number of eligible candidates exceeds the number of available placements within a board, selection will be made by lottery.
3. Candidates will complete all practicum weeks in year one with one school board; however, the Practicum Office reserves the right to make board changes if necessary.
4. The Practicum Office is unable to approve individual placement requests based on the personal circumstances of candidates. For example: candidates working part-time jobs, homeowners, candidates without a vehicle/driver's license, etc. In addition, candidates cannot make demands of the Practicum Office by requesting a particular school, teacher or grade/subject.
5. Candidates may be placed anywhere within the geographic boundaries of their placement board and are responsible for making their own living and travel arrangements. A long commute (an hour or more) should be expected. In some cases, candidates will be required to travel to a placement that is not accessible by public transportation. In these cases, candidates are required to make the necessary arrangements.
6. Practicum is expensive and placement changes will not be made based on financial need.
7. Candidates MUST NOT undertake negotiations with a school board, individual schools, or teachers to arrange a placement on their own behalf.
8. Candidates who anticipate the need for additional support on practicum must register with the Office of Student Development and Services prior to commencing placement. Failure to do so in a timely manner may result in a delay of accommodation.
9. Candidates must meet the practicum requirements of their assigned school board (e.g., health & safety training).
10. Candidates must provide a clear Police Vulnerable Sector Check (PVSC) to the Practicum Office by **NOON** on **THURSDAY, AUGUST 22, 2019**. Failure to do so will result in a \$75 late fee and possible cancellation of the practicum. Refer to the PVSC documents included in your acceptance package for more information.

The Practicum Registration Form serves only as a guideline for allocation. Signing this form indicates that you have read and agree to the terms outlined in this package.

Notice Regarding Catholic School Boards

- Junior/Intermediate and Intermediate/Senior candidates who have Religious Studies as a teaching subject will be assigned to a Catholic School board for practicum.
- Candidates intending to become employed with a Catholic school board are encouraged to verify with the board whether or not successful completion of a pre-service religious education course is required. A pre-service religious education elective course is offered in year two of the BEd program.
- Teacher candidates assigned to the Nipissing-Parry Sound Catholic D.S.B. for practicum may be required to enroll in the pre-service religious education elective course (offered in year two).
- Candidates assigned to a Catholic school board may be required to provide a pastoral reference (from a Catholic priest). These candidates will be notified.

Helpful Tips for Completing your Board Choices

- **You must choose three different school boards from the list provided.** If you do not provide three different school board choices you will be contacted and your school board assignment will be delayed.
- You may choose **ONLY ONE** of the school boards in North Bay (Near North D.S.B. or Nipissing-Parry Sound Catholic D.S.B.). The number of placements in this area is very limited. If choosing a North Bay school board, your other two choices must be out-of-town school boards.
- Your preferred cities/towns are suggestions only. Please be prepared to commute to any school within the geographic boundaries of your assigned school board.
- Some school boards need to know which candidates attended and/or graduated from their school system. Please provide this information in the space provided on the following page.
- Please include any additional information or extenuating circumstances that may be helpful to the Practicum Office when assigning you to a school board.
- **Not all candidates will receive their first board choice.** It may be necessary to place you in your second or third choice school board. Please ensure that you have suitable housing in all school boards chosen.
