

Purpose

Use this form to request only the grant(s) you are eligible to receive and to decline the Canada-Ontario Integrated Student Loan. In order to make this request, you must have already submitted a 2019-20 OSAP Application for Full-Time Students and have received an assessment of the amount of funding you are eligible to receive.

To decline all of your loan:

Your form must be received by your financial aid office no later than 40 days before the start of your study period.

To decline only the second instalment of your loan:

Your form must be received by your financial aid office no later than 40 days before the release of your 2nd loan Installment.

If you've received all of your loan:

It is too late to request grant only. However, you can repay your loan immediately. Contact the National Student Loans Service Centre (NSLSC) for details.

Changed your mind?

If you decide later that you want the loan, contact your financial aid office no later than 40 days before the end of your study period. You will receive the amount of loan that hasn't already been released. If you have not received any of your loan, you will get both installments.
