BComm (4-year) students, make sure that 6-credits-2 courses of your business electives (ACCT, ADMN, TMGT, MKTG, ORGS) are at the 4000 level.

When you register for courses at Nipissing University, the code and location you choose will determine:

- The type of course delivery (in-class, synchronous online or online) and the location (Centennial, distance)
- Where you will write your final exam (Centennial, **North Bay***)

The "term" refers to the semester and academic year

- 19FW- Fall (FA) 2019, Winter (WI) 2020
- SS20- Spring/Summer 2020 registration opens in February 2020.

Types of course delivery with the code for Centennial students:

In-class (3-hour lecture) or In-class blended (online instructor + in-class facilitator) at the Centennial campus-choose code 828

Example: **ADMN 1607-FA826 location: Centennial College.**

You will attend your lecture at Centennial College campus and write your exam at Centennial.

Synchronous (SYNC) online live stream lecture-scheduled class during the week. Choose code 881/882/883 etc.

Example **ACCT 4866-SS881 location: Synchronous Online**

You will attend your weekly lecture online in the evening class and write the exam at Centennial campus.

Online/Distance course-no scheduled class. Students will complete the module each week. Choose code 881/882/883 etc.

Example: **ADMN 2136-FA881 location: Distance**

SUMMARY

As a CPP 'Centennial' student, if you choose the following codes, Nipissing will schedule your exam at Centennial College and book a proctor to invigilate the exam.

- 881/882/883 etc. (distance and SYNC courses)
- 828 (in-class/blended)

What happens if you choose a course with the following codes?

- 801/802/803/804/805 etc.
- 841/842/843 etc.

***Distance courses with codes 801/802/803 etc. or 841/842/843 etc. will have exams scheduled in North Bay.** If North Bay is not a convenient location for you to write your exam, you may choose to write your exams in a location outside of North Bay. It is **your responsibility** to submit the **Distance Exam request form** to the Registrar's office, book an examination centre in your geographic area, and pay a proctor to invigilate the exam **before the deadline date set by the Registrar's office**. Failure to do so will result in you having to write your final exam in North Bay.

Exam schedules are posted in WebAdvisor approximately 4 weeks before the exam period. You must be available to write exams during the entire exam period.
