NIPISSING
UNIVERSITY

INSTITUTIONAL AUTHORIZATION
FOR RESEARCH AT NIPISSING

INSTRUCTIONS

Use this form to request institutional support/authorization to recruit research participants from community members of Nipissing University.

Note that authorization to conduct research with Nipissing community members is not the same as ethical approval. To request ethical approval, you will need to register for a Romeo (Nipissing) account and then submit the Romeo form called *Institutional Approval Request*. Attach a copy of this form, once approved, to your ethics application.
