**Note about Electives:** You can choose any course, as an elective course, if it is not a program required course. There is a limit of 42 credits for the sum of **TR (transfer credits) plus courses you take in your degree** that are level 1000 (i.e. ADMN 1607). TR that starts with “9” the next number is the level i.e. ADMN 9100, some are worth 6 credits. (Nipissing business courses = 3 credits so 42 credits = 14 courses).

**BComm (4-year) students: Required to take 6-credits (2 courses) of electives selected from business courses at the 4000 level. On your program plan ACCT 4836, ACCT 4866 & ACCT 4827 are level 4000 business electives which meet the requirement.**

When choosing electives, check your Summary of Transfer Credits to ensure the elective course you choose, you do not have a TR. If you do not wish to take the CPA designation in the future or request to add the Accounting Concentration to your degree, please choose different electives. To add the accounting concentration to your degree, email [programchange@nipissingu.ca](mailto:programchange@nipissingu.ca)
