Note about Electives: You can choose any course, as an elective course, if it is not a program required course. There is a limit of 42 credits for the sum of **TR (transfer credits) plus courses you take in your degree** that are level 1000 (i.e. ADMN 1607). TR that starts with “9” the next number is the level i.e. ADMN 9100, some are worth 6 credits. (Nipissing business courses = 3 credits so 42 credits = 14 courses).

BComm (4-year) students: Required to take 6-credits (2 courses) of electives selected from business courses at the 4000 level. On your program plan ADMN 4206 and ORGS 4837 are level 4000 business electives and satisfy the requirement.

When choosing electives, check your Summary of Transfer Credits to ensure the elective course you choose, you do not have a TR. **HRPA & HR Concentration:** If you are planning on the HR Concentration and the HR designation with HRPA, the HRPA equivalency electives are listed on the plan. You may have TR for some HRPA and HR concentration courses. There are different requirements for the HR concentration. If you do not wish to take those HR electives, please substitute other courses. Please check on the **Academic Calendar 4-year Bachelor of Commerce ‘HR Concentration’** to verify your transfer credits & courses for HR concentration.
