

Nipissing University BComm degree--College Partnership Program (CPP)
2023-2024 Program Plan

For graduates of Centennial College-Business Administration-Accounting

Please review your advanced standing credits in **WebAdvisor, Summary of Transfer Credits** to compare with the courses listed on this plan. If you have a **TR (transfer credit)** for any “program” course on this plan, do not take it, substitute another course. If you are not sure, check in with an Academic Advisor. **Program Requirements:** Find the program requirements in the academic calendar or the academic self-assessment form provided by the Student Advising team, <https://academiccalendar.nipissingu.ca/BComm>

Note about Electives: You can choose any course, as an elective course, if it is not a program required course. There is a limit of 42 credits for the sum of **TR (transfer credits) plus courses you take in your degree** that are level 1000 (i.e. ADMN 1607). TR that starts with “9” the next number is the level i.e. ADMN 9100, some are worth 6 credits. (Nipissing business courses = 3 credits so 42 credits = 14 courses).

BComm (4-year) students: Required to take 6-credits (2 courses) of electives selected from business courses at the 4000 level. On your program plan ACCT 4836, ACCT 4866 & ACCT 4827 are level 4000 business electives meeting the requirements.

When choosing electives, check your Summary of Transfer Credits to ensure the elective course you choose, you do not have a TR. If you do not wish to take the **CPA designation** in the future or request to add the **Accounting Concentration to your degree**, then you can substitute the accounting electives (CPA) for other courses. Then please ensure you have 2 level 4000 electives in your program.

To request the ‘Accounting Concentration’ on your degree, send an email to programchange@nipissingu.ca.
