

Aaniin, Wachay, Sago, Welcome!

Welcome to Nipissing University. Indigenous students are invited to self-identify through a voluntary and confidential self-identification survey through their Nipissing University WebAdvisor Account.

This self-identification survey helps the Office of Indigenous Initiatives and Nipissing University to gain a greater understanding of Indigenous students on campus and enhance existing and future programs to better meet student needs.

If you have already self-identified through the Ontario Universities Application Centre (OUAC), please take a moment to self-identify using Nipissing University's online process to review the additional options available.

Just visit your Nipissing University WebAdvisor account and choose "Voluntary Indigenous Student Self-Identification" option under the USER ACCOUNT menu item.

There is no proof of ancestry required and you can change your information at any time using the same process.

Please connect with Enji giigdoyang, Office of Indigenous Initiatives to answer any questions you might have about the self-identification process, sponsorship, and programs and services offered through the Office of Indigenous Initiatives. We look forward to meeting you!

For more information, please visit www.nipissingu.ca/self-id, contact our office directly at Indigenousprograms@nipissingu.ca, or (705) 474-3450 Ext. 4899, or visit us on campus at the Office of Indigenous Initiatives in room F215.
