

NORTH BAY

ONTARIO, CANADA

Truly northern experiences for over 100 years.

Chief's Welcome

Aanin / Hello:

On behalf of the Nipissing First Nation Council and community, I would like to welcome you to our traditional territory.

The Nipissing (or Nbisiing) people have lived in the area of Lake Nipissing since time immemorial. Nbisiing means "little water" and was likely a comparison to the larger Great Lakes to the west and south.

Historically, the Nipissings were traders due to Lake Nipissing's ideal central location at the junction of the trade routes.

Today, Nipissing First Nation is a progressive, culturally strong and self-governing Nation with a diverse economy. We remain proud stewards of our lands and waters, and hope you enjoy exploring the beautiful surroundings during your stay.

Bi-biingeyok maa Nbisiing / Welcome to Nipissing First Nation.

Chief Scott McLeod

We hope you enjoy your stay and we look forward to having you visit us again soon!

Yours In Hospitality,

Al McDonald
Mayor, City of North Bay

On the Water

We make the most out of life on the lakes.

One of the largest lakes in Ontario, Lake Nipissing has major appeal as both a recreational destination and a world-class sport fishery in all four seasons. The home of the Manitou Islands and the source of the French River, you'll fall in love with its gentle sand bars and rugged islands.

Rent a vessel for the day, or moor your own—the 270-slip North Bay Waterfront Marina is the perfect launch pad for your boat touring explorations. Or experience the sights of Lake Nipissing from the deck of the Chief Commanda II, a 320-passenger twin hull vessel designed especially for cruising our northern waters.

Trace historic trading routes and waterways.

We've told you about Lake Nipissing, but don't forget about the smaller, but charming Trout Lake. Tucked into the Canadian Shield and boreal forest, this historic lake is one of North Bay's best kept secrets.

The source of the Mattawa River, the voyageurs knew all about Trout Lake, and traversed it on their passage along historic fur-trading routes. Does their story strike a chord? You can trace their routes and paddle these ancient waterways too.

Travelodge Lakeshore

The Travelodge North Bay Lakeshore is situated directly across from beautiful Lake Nipissing and only minutes from downtown North Bay. Guests will enjoy comfortable rooms, free high-speed internet and a complimentary full hot breakfast.

No matter the season, the Duchesnay Falls Trails provides excellent photo opportunities and a well maintained dirt trail surface suitable for visitors of all skill levels.
