This is the proper use of the logo when displayed in conjunction with the Nipissing University wordmark.

This is the logo to be used ONLY when it is impossible to display with the Nipissing University wordmark due to space limitations.

### Safe Area

The area indicated in grey should be left empty.

The *safe area* should remain the same proportional size when the wordmark is scaled to different sizes.

To ensure this area is consistent, please use the length of the letter 'l' in the word Schulich as the measure.
